HIS HONOUR the Lieutenant-Governor in Council, by Order in Council dated the 11th day of May, 1926, under the provisions of the "Special Surveys Act," has been pleased to order as follows:—

"That the following order has been made by the Honourable the Attorney-General, in pursuance of section 26 of the 'Special Surveys Act,' and in respect of the special survey of Blocks 12, 16, 19, and 25, Map 393; Block 16, Map 393F; Block 17A, Map 570A; and Block 22, Map 559, Kaslo City:—

"In the Matter of the "Special Surveys Act," and in the Matter of the Special Survey of Blocks, 12, 16, 19, and 25, Map 393; Block 16, Map 393F; Block 17A, Map 570A; and Block 22, Map 559, Kaslo City.

"That pursuant to the "Special Surveys Act" I did, on the 22nd day of December, 1923, upon the request of the Council of the Corporation of the City of Kaslo, as set out in a resolution passed by the said Council on the 13th day of November, 1923, and in pursuance of the said Act, direct a special survey to be made and a plan prepared by Mr. H. D. Dawson, a British Columbia land surveyor, approved by the Surveyor-General, of Blocks 12, 16, 19, and 25, Map 393; Block 16, Map 393F; Block 17A, Map 570A; and Block 22, Map 559, Kaslo City, or such portions of the said blocks as upon report of the surveyor hereby appointed are deemed necessary and expedient, for the purpose of correcting any error or supposed error in respect of

any existing survey or plan, or adjusting any discrepancy between the occupation of any parcel of land and any registered subdivision plan or other plan or description under which it is held, and of plotting land not before subdivided and of showing the divisions of land of which the divisions are not shown on any plan of subdivision.

"That on the 10th day of December, 1925, a plan of special survey of the said lands, duly certified by the said H. D. Dawson, was filed in triplicate with the undersigned, together with three blue-print copies thereof on blue-print cloth, and a report in triplicate, in accordance with the said Act, whereupon the undersigned caused to be published in the British Columbia Gazette and in the *Kootenai*, a newspaper circulating in the district in which the lands comprised within the limits of the special survey are situate, a notice setting forth the filing of the plan and report, the object of the survey, and the day, hour, and place of the hearing of any complaints that may be made against the special survey by any person interested in the property thereby affected.

"That no complaints have been delivered to the undersigned within the time allowed for the delivery of complaint and claims, and I, therefore, in accordance with section 26 of the said Act, adopt the report of the said surveyor.

"And I hereby further order that in the calculation of the amounts to be paid by the respective registered owners, and in conformity with the report of the surveyor, the registered owner of each lot within the limits of the special survey shall be charged the initial amount of 50 cents per lot, and that the registered owners benefited in area as a result of the special survey shall be charged with the balance of the costs of the special survey *pro rata* according to the amount by which they are benefited.

"That where lots have been reduced in area as a result of the special survey the registered owners thereof shall be compensated, and the compensation shall be paid by the registered owners of the benefited lots in accordance with the amounts determined by the surveyor in his report.

"And I hereby further order that all complaints against the said special survey and plan or costs in connection therewith be and the same are hereby dismissed."

"The undersigned has the honour to recommend that the said Order of the Honourable the Attorney-General be and the same is hereby confirmed.

"And to further recommend that the said special survey and plan be approved and declared to be the true and correct survey and plan of the lands affected thereby.

"And to further recommend that all boundaries and lines fixed by the special survey and plan are true boundaries and lines, whether of highways or as between the adjoining owners or between adjoining parcels, and whether or not such boundaries and lines were theretofore in fact the true boundaries and lines.

"That the said special survey and plan be substituted for all former plans and surveys of the land affected which have theretofore been registered, or for the corresponding portions of such former plans or surveys."
